

timer_ms_tick

```
graph LR; A[timer_ms_tick] --> B[button_press_check]
```

A diagram showing a call from the `timer_ms_tick` function to the `button_press_check` function. The `timer_ms_tick` box is shaded gray, and the `button_press_check` box is white. A blue arrow points from the right side of the `timer_ms_tick` box to the left side of the `button_press_check` box.
