

timer_ms_tick

```
graph LR; A[timer_ms_tick] --> B[button_press_check]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'timer_ms_tick'. The right box is white with a dark gray border and contains the text 'button_press_check'. The blue arrow points from the right side of the first box to the left side of the second box, indicating a flow or call from the first function to the second.

button_press_check
